on the Booster Website

Booster Gift†

The Maine East Athletic Boosters is a 501(c)(3) organization consists of parents with student athletes. Those parents donate their time and energy to provide support for all Maine East athletic programs through various fundraising events and sales. Through your support, we can help provide items for your athletes and their sports that are not in the Athletic Department budget. You can find additional information on the **Maine East Athletic Boosters website** at www.meaboosters.com or **contact us at** MEHSAthleticBoosters@gmail.com.

* To be eligible for scholarship application, MEHS Athletic Boosters Membership is a requirement for all four-years while attending Maine East High School. If your athlete was enrolled at Maine East during the 2012/2013, 2013/2014 or 2014/2015 school year and you were not a booster member, we are offering an opportunity to back-date your membership for these school years for an additional membership fee of \$25 per year. (\$25 for 2012/2013 + \$25 for 2013/2014 + \$25 for 2014/2015 + \$25 for 2015/2016 = \$100 total 4-year membership due)

** Free Admission for your family (including students) to regular scheduled home athletic events excluding all IHSA Tournaments or other special events. Grammar school children must be accompanied by an adult.

† Booster Gift is subject to items we have available and in stock at time of membership sign-up. Booster Board has full discretion to limit or change gift at any time.

Yes.

**We want to be a
Booster Family!**

**interested
in helping?**

- Fundraising
- Spirit Wear Sales
- Concessions

Anyone that would like to join us by volunteering an hour at the concession stand - **we'd love it, and we think you will too!**

And don't worry- we make sure that every volunteer parent is able to watch their student athlete play!
