Maine East Athletic Department

November 9, 2020

To Parents/Guardians of Maine East High School Athletic Students:

Welcome to the 2020-21 school year and Athletics at Maine East! We are working this year to develop experiences in which our students can safely participate and continue to develop their skills. With that in mind, we are planning a little at a time, event by event so that we can be flexible and provide the right experience at the right time. Visit our website at <https://www.meaboosters.com/> for the up-to-date 8to18 Calendar, membership form and spirit wear, And - be sure to follow the Athletics department on Instagram ([mehsbluedemons](#)), Twitter ([Maine East Athletics](#)) and the new YouTube channel ([Maine East Athletics](#)) where we keep you posted on activities.

There are a few ways to still help support the work of the Athletic Boosters at this time. One way is to begin or renew your Annual Membership. The Athletic Boosters not only supports the athletic departments by purchasing equipment and clinics but we also offer scholarships to selected graduating seniors that have had Booster membership for all years at Maine East, don't miss this year. Complete the membership form [HERE](#) and email to us at mehsathleticbooster@gmail.com. Membership dues may be paid via check payable to Maine East Athletic Boosters and dropped off at Maine East or via Venmo, user [mehsathletic](#).

Another way to help the Athletic Boosters is by shopping online. Just by shopping on [Amazon Smile](#) or on [Market Day](#) and select Maine East High School Athletic Boosters as your charity and a percentage of all sales will be donated back to the Athletic Boosters.

We hope to see our athletes soon and wish our best to all of you!

Sincerely,
Lisa Ahmed
President, Athletic Boosters
